

WATER POLLUTION CONTROL REVOLVING FUND

Your WPCRF is a proven source of long-term funding for wastewater, stormwater and water quality infrastructure.

2018:
\$97 million
project
capacity

Most public entities are eligible

- Cities, towns, counties and other municipalities.
- Political subdivisions.
- Special districts.

PROJECT TOOLS

- Planning and design funds.
- Interim financing.
- Below-market rate construction loans.
- Loan forgiveness.
- Technical assistance.

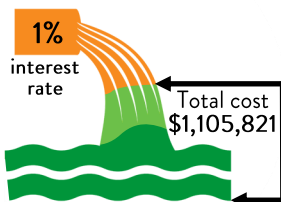

Your repayments are returned to the fund to create a growing source of financing for your future projects.

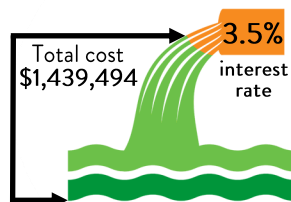

SAVE BIG WITH WPCRF

Identical \$1,000,000 projects on 20-year terms

WPCRF

Market financing

Total savings \$333,673

Below-market funding is available for everything from planning to construction.

A wide variety of your project needs may be eligible

- Sewer collection and conveyance systems.
- Publicly owned treatment works.
- Combined sewers.
- Nonpoint source projects.
- Estuary conservation and management plans.
- Decentralized water treatment projects.
- Stormwater collection, conveyance and treatment.
- Water efficiency and conservation.
- Water reclamation and reuse.

You benefit from more than just saving with a low interest rate

- Terms up to 30 years.
- Unused portion of direct loan can go to principle.
- Can cover up to 100% of a project.
- Coordinates with other federal and state funding sources.
- No match required.
- Dedicated project manager.
- Repayment may be fixed or variable depending on your needs.
- Low annual debt services.
- Loan repayment doesn't begin until project completion.
- No maximum funding limit.
- Multi-year commitments.
- Repeat borrowing is easier.
- No prepayment penalty.

\$1.171 billion
projects funded
in Colorado's
WPCRF history

Special
incentives
for
disadvantaged
communities

Direct loans
for projects up to
\$3 million
Leveraged loans for
projects over
\$3 million

A 30-year history of funding Colorado's water pollution control water infrastructure.

We guide you through each phase of the process

Phase 1:

Planning

Phase 2:

Design

Phase 3:

Approval

Phase 4:

Finance

Phase 5:

Construction
